

THE CLAY CITY TIMES.

50 Cents a Year in Advance.

We are here to help Clay City, the Surrounding Country and Ourselves.

J. E. Burgher, Publisher.

VOL. 10.

CLAY CITY, KY., THURSDAY, DECEMBER 28, 1905.

NO 52.

Notice.

All persons indebted to this paper are kindly requested to pay up as the publisher is anticipating a business venture that will require all the money owing us and more too. We have several hundred dollars out on job work, advertising and subscription, which is small to the different persons who owe such indebtedness, but if all paid in would be much to us. Start the new year right by owing the printer nothing.

Elder J. L. Wills, of Walton,

Ky., is visiting the family of W. L. Jackson on Hardwick's Creek and enjoying a hunting season. Elder Wills is a native of this county, but has been away from here nearly twenty-five years.

Eld. E. W. Marcum, who moved from this county to Indian Territory last spring, is here looking after business matters and visiting friends. He is accompanied by his oldest son, Charlie.

This is the last issue of the TIMES for this year, and it completes volume 10 with fifty-two numbers, a paper for every week in the year past. Now that the paper is ten years old, we feel that our subscribers are justifiable in the confidence they imbibed in the publication, for the paper surely is now a permanent fixture. The old saying that anybody can start a paper, but it takes a wheel horse to keep it a going is true, but since we have kept the TIMES going for ten years, we feel that the next ten years of its newspaperdom will be much easier sailing than the past. We trust and believe that the people of Powell county and in the territory adjacent to Clay City, will continue to render the support that has made the paper go, and if they do, and the present growth is maintained for ten more years, the TIMES will be a paper that these people may well be proud of.

With the paper's new year, as well as the New Year of our Lord, we wish all our readers a happy and prosperous one.

I. G. Jackson, of the Harrodsburg Democrat who is now visiting his parents, Mr. and Mrs. W. L. Jackson, at Vaughn's Mill, is just recovering from a severe attack of typhoid fever which kept him down for eight weeks.

We are a day late this week and it is all on the account of the editor taking a day and a half off Christmas.

McGlone-Wilson.

Mr. E. B. McGlone, of this city, was married to Miss Stella Wilson at Moohead Saturday, December 23, at 3 p. m. Eld. Frank C. Button, of the Christian church officiating. The happy pair arrived here Monday where they will make their home.

The bride is a beautiful and winsome young lady, and is very popular at Morehead, her home. The groom is one of Clay City's rising young business men, who possesses sober and discrete habits, and is a worthy young man in every particular. Congratulations are extended by the TIMES and a host of friends.

A. T. Whitt, the gentlemanly Assistant Cashier of the Clay City National Bank, spent a few days with relatives and etc. at Morehead. From the frequent trips Mr. Whitt makes to his old home, there must be some kind of a dear attraction for him up there, and we are beginning to think he has an idea of bringing her over to Clay City to live with us.

Every thing in Ready-to-wear. Trimmed and Untrimmed Hats at cost. Mrs. J. W. Williams.

Funeral services were conducted at the Christian church Monday morning by Rev. R. A. Irvin. Burial at the Eaton Cemetery in this city after funeral services.

SPOUT SPRING.

Moses McKinney and Rucker Lewis, of near Mt. Sterling, visited relatives here a few days last week.

Elder George W. McIntosh entertained several neighbors and friends at his hospitable home Monday Christmas day.

Miss Amanda Todd closed her school at this place last Friday afternoon. She has taught a good school and given satisfaction to all patrons.

At the Masonic Anniversary here Wednesday Wm. McIntosh was elected Master; J. F. McKinney Treasurer, L. B. McIntosh Secretary and Joe McKinney Tyler.

Articles sold at R. H. Curtis' sale near here last Wednesday brought fair prices. Mr. Curtis has moved to Locknane, where he will continue in the goods business.

James F. Barnett, of this place, was married Monday, December 25, to Miss Neoma Curtis, at the residence of the bride's grandfather, Wm. Snowden, on Hardwick's Creek, Elder B. F. Wright officiating.

Asa Todd and A. J. Curtis, who raised a crop of tobacco last year sold the same last week for five cents straight. This may be considered a very fair price as we have heard of several crops of Bluegrass tobacco selling for less money.

Deputy Sheriff Mack Roberts and Jos. Wilson were shot and killed during a general fight on Big Fork, in Leslie county. On Goose creek, in the same county, James Creech was killed by Bill Vanover in a fight over a banjo.

The Sale will be conducted on the premises, beginning at 10 o'clock A. M.

A number of Democrats of Clark county held an indignation meeting in the Court House at Winchester Monday afternoon in which they passed resolutions censuring the action of Senator elect C. B. The readers of this paper will be pleased to learn that there is at least one dreadful disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Important Memorandum—The painter or the home improver cannot afford to neglect a job of painting. The painter who uses a good paint will get the best quality of paint, saving his time and money. Kinloch HOUSE PAINT

There's one indisputable reason why, a reason every honest painter will acknowledge—"The Oil is the Life of Paint," and the sure way to get good oil is to buy it fresh and pure from the dealer's barrel, not from the ready-mixed paint can. The paint that is ready to mix with linseed oil, gallon for gallon, is KINLOCH PAINT, and we recommend its use for every good reason we know.

If You ARE A Democrat

Or if You are not You will want to read

Bryan's Commoner.

ON MARCH 17 The Commoner announced the Primary Pledge organization plan. This plan provides for Democrats to sign a pledge, binding themselves to attend all primaries of their party between now and the national campaign of 1908. It is a practical method for the organization of the party by the rank and file, in order that it may prove true to its name and be the efficient servant of the people in the establishment of reform. A little investigation will convince you that the Commoner has hit upon a feasible and effective method of persuading Democrats to participate in the councils of their party.

These pledges are pouring into the Commoner office by the thousands, where they are carefully filed by state, county and voting precinct.

If the same interest manifested in this work during the past four months is maintained during the next two years, the total membership will exceed four million Democratic voters.

The Commoner is issued weekly, subscription \$1 a year. By special arrangements, for a short time only, we offer the Clay City Times and The Commoner or both for \$1 10.
